April Session of Town Council

Annual Clean-up Days April 28th and 29th — No Dogs To Be Allowed To Run At Large — Want Street Improved.

The April meeting of the Grimsby Town Council was held on Wednesday evening last, the session being a short one. Mayor Boulter was in the chair and all members were present.

A petition was presented by 28 ratepayers requesting that the roadway on Maple Avenue be improved. A switch run from the M. G. and B. Railway on Main St. to serve sawing factory which has been closed indefinitely. After some discussion the council instructed the clerk to write the railway company with a view to having the track removed and the street put in proper shape.

B. Beaman, Robinson St. wrote the council with reference to securing the removal of a small building belonging to the gas company which was declared to be a danger and unsightly. The matter was referred to the Board of Works.

John Gerber was again allowed the use of a portion of park for pasture, under the same terms as last year.

Building permits were granted to Mrs. Minnie Davis, Elm St., and William Montgomery, Robinson St. E.

It was decided to get prices on 6,000 gallons of oil for the filling of the streets this season.

The annual clean-up days for the town of Grimsby were set for Tuesday and Wednesday, April 28th and 29th, the east side on the former date and the west side on the latter date.

It was decided that the Mayor issue a proclamation stating that no dogs be allowed to run at large during the period from April 1st to November 1st, save and except such dogs as may be securely leashed and under the control of a responsible person.

Dogs Menace Sheep In Ancaster Tp.

Sheep Bill \$1000

The menace of dogs to farmers' flocks of sheep is a problem of great moment in Ancaster township, according to several farmers of that district who have been and the township council is considering the matter carefully at the present time and seeking some means of alleviating the trouble. The bill paid last year by the council for sheep killed by dogs was over \$1,000, whereas the income from dog tax, which is intended to cover this expenditure amounts to only some five or six hundred dollars.

"There are a lot of farmers in the township who would like to keep sheep," one farmer stated, "but the menace of dogs is such that they hesitate about doing so. These dogs either kill the sheep or worry them so much that they are useless either for their wool or for mutton. Most of the dogs that are out in the country running around the fields have no tags on them and there is no way of telling who owns them, even if you catch them."

"The assessor of township property has been asked to be relieved of the business of finding out where there are dogs," the farmer went on, "because there are a lot of people who won't own up to possessing a dog and who will hide the animal in the cellar when the assessor comes round." He explained that it was a most difficult matter to keep track of all the canines in the country.

Boy Dies From Meningitis

A 9-year-old boy died April 12, in the General Hospital, Hamilton, of almost violent type of spinal meningitis. He was Joseph Neil Roberts of 129 Stanley Avenue, and his death was the first to have occurred this year from the dread malady. Dr. James E. Roberts, M.D., took steps to quarantine members of the family who had contact with the boy.

Officials of the Ontario Department of Health stated that this was "nothing abnormal either in the occurrence of spinal meningitis at this season of the year, nor in the number of cases that have been reported so far."

Joint Easter Thank-Offering Meeting held

The W. E. B. and Y. W. A. of Trinity church held a joint Easter Thank-offering meeting last Thursday evening when a most excellent address was given by Miss Munro of Woodville. She spoke fluently and stirred interesting listeners taken by herself as well as exhibits of African warms. The thank-offering was very good and an enjoyable evening was spent following the meeting.

The Best Way

Sometimes evenings were very lonely in the city, and May would try every way to keep from getting homesick. But nothing really helped her but the telephone. Every so often she would have a good talk with her family by Long Distance. It revived her spirits immensely.

Boys' Calf Club To Be Organized In the County

Preliminary arrangements for the organization of a boys' calf club were made at the herd grading demonstration which was held yesterday afternoon at the farm of H. H. Culp, near Campden. The demonstration was very successful and the Holsteins of Mr. Culp's herd were graded. A committee consisting of John Hurd, Grimsby; W. E. Boulter, Hamilton; D. Hower, Hamilton; S. H. Culp, Vineland; Elmer Durham, Smithville, and George Irvine, McNab, was appointed to deal with the organization of a Holstein breeders' association for the district. A meeting of the calf club will be held in the near future. Already five boys have signified their intention of joining.

Corn Borer Act To Be Enforced

No Slackening Up As Thorough Clean-up Every Year Necessary.

There have been rumors that the Corn Borer Act would not be enforced this year. Such rumors are unfounded, state L. Casser, Provincial Entomologist, and Marion Strong, Corn Borer Inspector for the County of Lincoln. The Provincial Entomologist in March called a meeting of the corn borer inspectors, discussed with them their duties and gave instructions that there should be no slackening up in the enforcement of the Act. He said the borer was just as dangerous as ever and the only safeguard against serious loss to the corn is a thorough clean-up every year; each farmer doing his share. It was pointed out that the weather was a very important factor in determining whether we could get a reduction in the number of borers next year. Some years the weather would favor the insect so much that all a good clean-up could do would be to prevent a very large increase. Other years the weather would help us and there would be a decrease.

It should be borne in mind that the farmer has no prospect of his being able to withdraw the Corn Borer Act, even if he were to. In fact we have no right to require a compulsory clean-up for any pest as they have in the case of Europe, the home of the borer, where the law is to follow in to adopt the best method of handling their corn fields each year so that they will have little or no infestation. Many farmers have already reached this stage, others should try to follow their example. The inspectors will gladly give any helpful suggestions in their power.

Owing to economic conditions all over the province it is especially desirable this year that clean-up of corn fields be completed early, so that expenses be kept as low as possible, consistent with efficiency. Hence farmers and also corn growers in cities and towns are urged to co-operate by having all corn remnants destroyed not later than May 30th.

Any person wishing to get further information on the borer and the best methods of control should write to the Director of Statistics and Publications, East Block, Parliament Buildings, Ottawa, and ask for a copy of Bulletin No. 268.

St. Catharines Man On Trial for His Life at Hamilton

John Dybia of St. Catharines went on trial for his life before Chief Justice Hume at the Assize April 13th at Hamilton, as the Grand Jury returned a true bill against Dybia, who is charged with the murder of Ludwig Rakovsky, following a drunken brawl in the home of Mike Rieck at 9 Gerrard Street on the night of Feb. 10 last. Rakovsky was stabbed 14 times, and died a few hours later in the General Hospital.

True bills were returned also against William Boyd, charged with a serious offense; Charles Drysdale, charged with manslaughter and criminal negligence in the operation of a truck; Howard Stewart of Jarvis and Mrs. Mary Whitman, this city, charged with manslaughter in connection with the recent death of Edith Hoover, aged 18, of South Cayuga; and Jim Lee, a Chinese, charged with attempting to bribe a police officer following a seizure of opium in the laundry of a Chinese.

Interesting Meeting I.O.D.E. Literary

The I. O. D. E. Literary on Monday afternoon was of an interesting character. Mrs. Cline gave a talk on "Odyssey by Homer, and Mrs. A. F. Hawkins read "Spring Poems"; there were also readings from Lescaut by Mrs. C. Loring; Mrs. Dean read a few poems from the Homemaker and also Lillian sang two songs, accompanied by Miss Nina Woodworth. It was decided to take up the study of Russia for the next few months through the personal of the illuminating book, "Russia Uprooted" by Hindus. It was also decided that the members clip out everything they read of interest on Russia for these meetings.

Meeting of North Grimsby Council

Grant of \$150 Made To Cottage Holders' Association — Road Inspection This Week — Special Meeting To Decide On Appropriation For Roads.

The North Grimsby Township Council met in regular session on Saturday afternoon last, Reeve Lawson in the chair and Deputy Reeve Mitchell and Councillors Hurd, Smith and Graham present.

Relative appeared before the council with reference to securing the removal of Mr. and Mrs. John Munsterman, township residents, to the Industrial Home at St. Catharines. The council authorized the necessary arrangements.

Mr. George Fair requested the usual grant of \$500 for use in keeping Grimsby Park in shape. The council resolved the grant to \$250 this year.

Several requests were presented for attention to township roads in need of repair and the council arranged for the annual inspection of the roads of the township for this week commencing on Wednesday. A special meeting will be held on Saturday afternoon when the amount to be appropriated for the purpose this year will be decided upon.

Tax Collector W. A. Patterson reported on the results of his visits to those in arrears in connection with tax payments. As the tax collector must make his return by May 1, it is being urged that all arrears be paid up before that time. The report indicated that a considerable amount of these arrears would be paid by that date.

The audit of the township's annual report for the year and on motion of Deputy Reeve Mitchell and Councillor Graham it was adopted. Attention was directed in the report to the desirability of a better system of collecting water rates and it was suggested that a survey of the water works for the year 1931 be made. Considerable discussion took place on the subject and H. will be further considered at the next meeting.

Head Superintendent Russ stated that considerable gravel was being removed from the lake shore at township pier and placed on roads.

Councillor Hurd advocated the purchase of a tract for township park, believing it would be economical to do so. He alluded to the fact that the township showed the expenditure of a large amount for trucking. He stated that last year \$1250 was paid out in this way.

The following resolutions were passed: Moved by Councillor Graham, seconded by Councillor Smith that a grant of \$450 be made to the cottage holders' association at Grimsby Beach for the year 1931.

Moved by Deputy Reeve Mitchell, seconded by Councillor Graham that leave be granted to introduce by-law entitled a by-law to transfer John Anderson and Wm. Bowman from School section No. 7 to School Section No. 8, and that same be read a first time.

Moved by Councillor Hurd, seconded by Councillor Smith that by-law No. 50 be read a first time be now read a second and third time and do pass and that the clerk and clerk seal the same as in the motion.

Moved by Councillor Graham, seconded by Deputy Reeve Mitchell that Thomas be given permission to cut certain elm trees at Lot No. 13 in 3rd concession, same to be approved by the road superintendent.

Wentworth Scores the Winning Goal-Council Sends Congratulations

One of the star members of the famous Black Hawk hockey team of Chicago is Marvin Wentworth, son of night constable J. Wentworth of Grimsby, who distinguished himself in the series of games with the Canadians for the Stanley Cup, on Thursday night last by scoring the winning goal.

Citizens in general taking a keen interest in these play-off games and the fact that a native son starred in the game, prompted the sending of a telegram of congratulation to him by the town council which read as follows: To Marvin Wentworth, Care of Chicago Black Hawks, Montreal, Quebec.

Congratulations, Marv. All Grimsby is proud of a native son.

(Signed) Mayor Boulter and Council, Town of Grimsby

Merritt Brothers Appreciate Work Of the Firemen

The Grimsby Fire Department is in receipt of a letter from Merritt Bros. thanking the firemen for their prompt response to the call sent in recently in connection with the fire at their factory and expressing appreciation of their good work on that occasion. A cheque was enclosed as a token of their appreciation.

At the county court at the court house, Cayuga, last week the docket consisted of one case, Jackson v. The Hagerville Contracting Company. This was an action brought by Henry Jackson, of Hagerville, for damages resulting from the quarry at Hagerville. Judgment was given for the plaintiff for \$300, the costs to be paid by the Quarry company.

Father Hurt in Fall-Son Breaks Arm in Accident

Mr. John Bell of Glanford received painful injuries on Tuesday, March 31st when he fell from the roof of an old building which he was tearing down. Although no bones were broken he was very much bruised and badly shaken up. The doctor thinks however there are no internal injuries. His son Arnold also met with an unfortunate accident, when motoring to Galt on Thursday evening about nine o'clock when he struck a culvert. The car turned over into the ditch pinning him underneath it. Fortunately the people who followed heard his cries and released him and took him to Galt Hospital where it was found his arm was broken. While he was being taken to the hospital every thing which could be removed from the car was stolen even to the tires. The car was badly damaged.

Mr. John Bell is a brother-in-law of Mrs. W. C. Rightmyer, Robinson St. South.

West Lincoln Branch Meets

Committee Appointed For The Year — Membership Has Increased — Local Branch Of Legion Has Been Active.

The monthly meeting of the West Lincoln Branch, Canadian Legion, was held in the council chambers on Thursday evening last, a large number being in attendance.

Comrade Fungus occupied the chair at the opening of the meeting, installing the newly-elected officers in the various chairs.

Special tribute was paid to the memory of Comrade L. Col. Rev. W. P. Ryan and the members of the West Lincoln Branch, who were killed at Vimy Ridge, and a minute of silence being observed in memory of fallen comrades when the members stood at attention.

Speeders Are Paying Fines

Through the activity of the motor police officers of the city police force, some fifteen residents of St. Catharines have paid sums from five to ten dollars, during the week, for violations of the speed laws within the city limits. The act calls for twenty per cent, not up to sixty, such as some of them are trying to get away with. Headquarters report that the pressure is going to be put on to an even greater extent in the future, which motorists might well heed.

Two Men's Clubs Meet

St. Andrew's Men's Service Club Most Hospitably Entertains Trinity Church Men's Club. — Dr. W. J. Deadman Delivers Highly Interesting Address.

On Thursday evening last the members of the Men's Club of Trinity Church were most hospitably entertained by the St. Andrew's Men's Service Club.

Supper was served in the Parish Hall and upwards of one hundred men sat down to the fine spread provided by the Ladies' Guild of the church after which toasts to the King and to the visiting club were honored. Mr. Parsons happily proposed the toast to the guests of the evening which was responded to by C. B. Dean, president of the visiting club.

Mr. E. H. Hull, the newly elected president of the St. Andrew's Men's Service Club, presided.

The speaker of the evening was Dr. W. J. Deadman, pathologist at the general hospital, Hamilton, who in a comprehensive and most interesting address told of his work in connection with the science of pathology, particularly as it related to ascertaining and finding the cause of death in cases which come before the courts and the efforts to determine the responsibility of certain individuals for crimes committed by examination of the condition of organs, tissues and blood.

Mr. C. D. Wells voiced the hearty appreciation of the gathering in thanking the speaker for his contribution to the evening's program.

The community singing was effectively led by Mr. Henry Miller while Mr. Robert Miller and Mr. W. Lathian contributed excellently rendered vocal numbers. Mr. W. A. Page, presided at the piano with his usual acceptance.

Spray Department Assisting Growers

It is urgent that the spraying for control of pear psylla be recommended in circular No. 2, should be completed as soon as possible. The spraying of plums should commence as soon as the sprays have been applied on peaches and pears.

On European plum trees spray with Bordeaux mixture. Details for mixing will be found in the 1931 spray calendar. Spray all parts of the tree.

On Japanese plums spray with lime sulphur 1-7 (sp. 1250) before the buds burst. Spray all parts of the tree.

All apple orchards where San Jose scale is present or suspected, should be sprayed with three per cent. oil emulsion in 2-4-60 Bordeaux mixture. This spray should be applied when most of the apple buds have reached the stage shown in figure six on the 1931 spray calendar, and should be repeated by the time the buds have reached the stage shown in figure five.

Sprays for apple orchards where no scale is present will be given in a later circular.

Any growers who wish to spray for San Jose scale are asked to communicate with the spray service, when they will be given individual attention.

Remove and burn all water sprouts and spurs on the trunks and main limbs in the lower parts of the trees. This will assist materially in controlling black cherry aphid.

Spray currants and gooseberries shortly before or as the buds burst. Use lime sulphur 1-7 (sp. 1250) and if aphids are present add nicotine sulphate at the rate of 5 pint to 40 gallons.

The spray supervisors' addresses are as follows: From Jordan harbor west to Beesville—C. C. Dunham, Vineland station, phone Vineland 426-11.

From Grimsby beach west to Hamilton—P. E. Tregunne, 46 Maple Avenue, Grimsby, Ontario, phone Grimsby 341.

Visits from time to time may be expected from the above supervisors throughout the spraying season, excepting those growers who have indicated that visits are not necessary. Consult your local supervisor when in need of spraying or cultural information.

Latest Books on Pay Shelf of the Grimsby Library

The Grimsby Public Library Board recently decided to have a pay shelf where for three cents a day the very latest books published and now on the market could be secured for the small sum of three cents, per day. Of the twenty books on the pay shelf none have been published for more than a year. It is interesting to note that the new venture of the board is working out very satisfactorily.

Books of the Library, will, of course, find many new books on the free list, since about fifty have been placed on the free shelves by having a pay shelf more and better books can gradually be secured for the library which will give many people an opportunity of reading the newest books which would perhaps be difficult to secure otherwise, at a very moderate cost.

Gets Sentence of Two Years For Forging Cheque

In police court at St. Catharines on Thursday Kenneth Teeter of Grimsby pleaded guilty to a charge of forgery and was sentenced by Magistrate Campbell to two years less one day in the Ontario Reformatory.

The young man who is 23 years of age, was charged with having forged the name of his grandmother and his brother to an old age pension cheque sent to the former in December, allegedly abstracting the cheque from the mails and forging her endorsement and that of his brother.

When she did not receive it through the mails, she found on enquiry that it had been cashed in a local bank on December 24th. On investigation by Provincial Constable Embleton and Chief Demill they learned that the hand writing was that of the prisoner and he was arrested while working in a local factory.

Commemorate Vimy Victory

Impressive Memorial Service Is Held At Saltfleet Monument.

Services commemorating the anniversary of the Battle of Vimy Ridge (1917) were held Sunday afternoon at the Saltfleet soldiers' monument, C. company, Wentworth regiment, Great War Veterans of Saltfleet, Reeve H. D. Glover and members of the township council, Brigadier-Col. H. Hatch, D.S.O., and staff, Lieut.-Col. Armand Smith, M.C., and officers and band of the Wentworth regiment taking part. Ven. Archdeacon Mackintosh, C.F., was in charge of the services, which consisted of an opening prayer and hymns. For All the Sins Who From Their Labors Rest, followed by the placing of a wreath on the monument and the sounding of the Last Post.

The service here was necessarily brief, as immediately afterwards all the troops present marched to the parish hall. The day was ideal for the ceremonies, bright sunshine and spring-like atmosphere. The uniforms of the soldiers and red tunics of the members of the band making a striking and colorful appearance as they marched along.

The route of march was by way of the bridge and took the following route: Wentworth regimental band, Lieut.-Col. Armand Smith, M.C., commanding officer of the regiment; Brigadier-Col. H. Hatch, D.S.O., and staff; Reeve H. D. Glover and council; officers of the Wentworth Battalion, detachment of Lincoln and Welland regiments, Great War Veterans, C. company, Wentworth regiment. After arrival at the parish hall Rev. H. G. L. Bangh, rector took charge of the service, speaking on the Kingship of Christ and His Leadership, mentioning particularly His many qualities, making a strong appeal to those present to follow His lead and be true soldiers of the cross. The music of the band as it accompanied the hymns, was very effective. Altogether it was a most impressive service.

Following this, Col. H. Hatch, D.S.O., inspected the troops on the school grounds, after which there was a march past of all troops, Col. Hatch, taking the salute.

On dismissal the commanding officer of the regiment, Lieut.-Col. Armand Smith, congratulated C. company on its smart appearance and spoke in appreciation of the services rendered by the band. From those who were privileged to attend the two services and the ceremonies connected with them, many expressions were to be heard of a congratulatory nature to those taking part.

Hurled Bottle to Road-Bus Party Summoned to Court

A serious mistake was made by a party of Torontonians in a special bus on Saturday afternoon when a bottle was thrown out, which whizzed by the head of Traffic Constable Huffman, in Stamford township.

He turned around and halted the bus, and allegedly discovered 25 employees of a Toronto Co., on their way to Buffalo, many of them drinking. Their names were taken and the remaining liquor placed under seizure by the provincial police. All will be summoned to appear in police court at Niagara Falls on a charge of drinking in an illegal place.

Was Severely Bitten by Dog

On a recent occasion in his back yard a severe dog bite was being inflicted by Dr. Gordon A. Smith.

The animal was an English bull dog which had been brought to Grimsby from St. Catharines by its owner, with the intention of selling it to Mr. Hand. It was on loan and when Mr. Hand attempted to release it it jumped at him, inflicting the injury.

The dog which is a valuable thoroughbred English bull, about three years old, has been a child's pet and this is the first time it has attacked anyone.

Entertainment By Firemen

A Conspicuous Success In Every Respect—Substantial Amount Realized For Firemen's Fund.

The entertainment provided by the members of the Grimsby Fire Department in Moore's Theatre on Thursday and Friday evenings last was an outstanding success, both financially and in the program furnished and crowded houses greeted the firemen on both nights when they presented a comedy in two acts, there being also songs, waltzes and dances and a real cotton blossom orchestra.

The role of comedians was splendidly taken by Ed. Walker, W. Smith and A. Stevenson, who greatly amused the audience with their antics while the orchestra furnished the old time music for the occasion.

Other numbers on the program included songs by R. Miller and Miss Jackson and dances by the two little Murdoch girls.

The large audience present indicated their appreciation of the program by their continued applause.

The prize winner on the first night was Mr. B. Murdoch and on the second night, Mr. Lepist, each of whom received a \$5 lb. bag of sugar.

Mr. J. Orin Livingston made a capable chairman.

The Firemen's Fund, as a result of the entertainment, will benefit to the extent of \$141.44 which was the amount of the net proceeds. The total receipts were \$300 with expenses of \$158.56, leaving the above balance.

The conspicuous success of the entertainment will be a source of keen satisfaction to the firemen and indicates the generous support being received from the public.

Program Complete For the Athletic Association Concert

Arrangements were fully completed on Tuesday night for the concert sponsored by the Amateur Athletic Association which will be held on Friday night, April 24th, at Moore's Theatre.

Tickets went on sale Monday morning. It is customary to buy tickets for such entertainments of this kind from a central point and so the community appreciate a feeling of this kind towards their organization. They do not think that this particular concert should warrant too much comment.

The committee has gone to a lot of expense on this program to make it the most outstanding that has been introduced to the public in Grimsby for years and the thought uppermost in their minds was a dignified introduction of this new organization to the citizens of Grimsby. The price of the tickets proves that this particular concert is not a money making scheme. The committee are desirous of having all the citizens who are able present on this occasion. There are only 450 tickets available, so first come, first served, and no doubt it will be a sell-out.

West Lincoln Branch Joins Legion Drive

During the month of April the Canadian Legion of the R. B. L. in Ontario will put forth a province-wide effort to add 10,000 new members to its strength. The West Lincoln branch, Lincoln and Welland, is taking an active part in the campaign and has set as the local objective 50.

Brought into existence over five years ago as a result of Field Marshal Earl Haig's personal appeal for unity to the several conflicting organizations the Canadian Legion has continued to expand until today it has a membership of some 80,000 comprised in 900 branches throughout Canada, as well as branches in the United States, West Indies, and France. After making due allowance for deaths on active service and depletion of ranks through deaths and other causes since the Armistice, it is estimated that the strength of the Legion should eventually be three times the present number. The Ontario membership campaign in April is the first step in Ontario towards this greater objective.

Officers of the Legion point out that the service work of the organization has been rendered freely to all veterans without distinction of membership. Legislative benefits secured by Legion have been to the advantage of the whole war veteran body. It is felt that the responsibility of this highly important work should be borne equally by all veterans. At the same time the privilege of participating in the extensive and varied program and community work, as well as the amenities of the social life and activity of the Legion, is made available by active membership.

Neatly Advised

First real party. An impression came up which bothered the young wife. "If Molly were only here! She can arrange anything! Why not telephone her? She did—and her sister was, of course, able to tell her what was needed. What a relief that Long Distance call brought!"

Notices were posted this week advising that dogs found at large will be destroyed within 24 hours unless claimed by owners.

King Congratulates Young Marksman

Canadians Win King's Trophy and Imperial Challenge Shield

Ottawa—Canada's boy marksmen, who have won the King's trophy and the Imperial challenge shield for 1930 as the result of their expert shooting, have been congratulated by His Majesty the King. The Department of National Defence announces receipt from the Secretary of the National Rifle Association, Hilsley Camp, England, the following message from His Majesty:

"The result of the competition for His Majesty's trophy has been laid before the King and I am to ask you to convey His Majesty's congratulations to the boys of Canada on their second victory."

"They have set a very high standard for future competitors."

(Signed)
"HIS FREDERICK PRINCE OF WALES, 'Keeper of the Privy Purse.'"

In the Empire match Canada had in 1925 only 2,400 entries, which number has been increased each successive year until for the 1930 contest, 5,979 boys took part. A total of 31,512 boys from all parts of the Empire fired in the competition. According to the report of the competition issued by the National Rifle Association, the young marksmen of Canada won His Majesty's trophy with the remarkably fine average of 94.947 for their national team. This is the highest average yet made in the match, and is an advance of 3.7 points over South Africa's winning score in 1929. Canada's previous win in this contest was in 1927, when the team of 3,000 boys whose scores topped the averages in the various parts of the Empire averaged 92.511 points.

Canadian boy marksmen won 155 silver and 233 bronze medals in the 1930 match, a number considerably in excess of the numbers won by all other parts of the Empire combined.

In addition to the King's trophy the Junior Imperial Challenge Shield was won by Canada, and is to be held for the year by R. Willbrock's Academy Cadet Corps, Verdun, Que., a unit which had 235 cadets fire in the competition. This corps under the instruction of Lieut. Col. H. Mackay-Papineau, V.D., averaged 91.629 points per boy, and won 31 silver and 53 bronze medals.

Second place for the junior shield was taken by the Quebec Seminary Cadet Battalion, Quebec, with 999 competitors who recorded an average of 91.542 points, winning 45 silver and 51 bronze medals.

Third place was awarded to the Calgary public school cadet regiment (Central Public School), Calgary, Alberta, whose team of 41 boys averaged 91.4.

The senior Imperial Challenge Shield goes to Abernethy's Company, First Mountbatten Cadet Battalion, Church Lane, England, with an average of 91.194 p.p.m. Early Jellicoe's sword is awarded to the Kingston Navy League Sea Cadet Corps, England, with an average of 91.068. This sword was awarded in 1929 to the Military, Ontario, Cadet Corps. The sword of the late Earl Haig goes to St. Peter's School, Seaforth, Sussex, England.

The trophy presented by the Duke of Devonshire, when Governor-General of Canada, for annual award to the cadet corps of the Dominion showing the highest all-round proficiency in this competition has been awarded to St. Willbrock's Academy Cadet Corps, which unit in the "honors list" of the best hundred units in the Empire ranks first.

Under special awards, three Canadian competitors receive bronze medals. The special medal awarded to the youngest boy who makes the highest possible score of 100 points is won by J. Macdonald (age 12) of the Central Public School, Calgary, Alberta. Miss L. Gillmore and Miss M. Leif, both of the All Saints Girls' Rifle Club, Westboro, Ont., receive bronze medals for 95 points.

Violent Deaths Take 3 in North

Drowning, Suicide and Falling Tree Fatalities Reported

Cochran—A series of tragedies in the district over the weekend are reported here, the first including a drowning, a death from suffocation under a fallen tree, and a suicide through drinking poison. All the victims were men.

Stanislaus Hoidys, Polish by birth, a laborer employed by the Dominion Construction Company at the Ashcroft Canyon, fell into the river while at work there, was swept away and drowned. His body was not recovered.

John J. Hamilton, 23, married, with two children, who arrived from Gilbert Plains, Man., recently to settle on a farm seven miles from town, was pinned under a huge tree when it toppled over the wrong way while he and Russell Buchanan were felling it. Buchanan could not lift the trunk alone, and Hamilton was dead from suffocation when help came.

John Schuk, a Russian, about 40 years old, who owned a hush lot near Touraine, drank half of the contents of a ten-ounce bottle of sulphuric acid in a stable on the farm of Valentine Kromdichuk, with whom he lived, and died in agony after telling of his deed.

Princes Leave For England

Prince of Wales and Brother End 29,000-Mile Tour of South America

Rio de Janeiro—The Prince of Wales and Prince George, his youngest brother, sailed for home on the liner Arlanza Sunday evening, terminating a 29,000-mile good will tour of South American countries.

The ship sailed at 6:35 p.m. The Princes were given a cordial farewell. Thousands cheered as they went up the gang plank and stood on the ship's deck, waving as the liner moved out of the bay.

The Princes have visited most of the countries of South America during the past several weeks. The peak of their tour, in so far as their trade mission was concerned, occurred last month at Buenos Aires, where the Prince of Wales formally opened the British Trade Exhibition.

Many New Industries To Start in Manitoba

Winnipeg, Man.—Mr. J. M. Davidson, secretary of the Industrial Development Board of Manitoba, who has recently returned from a trip through the east and south, reported at a meeting of his board that new industries will be established in the province, involving an aggregate expenditure of more than \$5,000,000.

The prospective industries include food products, implements, two furniture factories, building material, and household products, based on the packing industry.

There will be a beet sugar refinery here next year, as the result of experimentation which has been carried on for several years in the province.

Six-Engined Planes For Tasmanian Trip

Hobart, Tasmania—Planes driven by six engines are being planned to replace the three-engined machines now handling the tri-weekly service between Tasmania and Melbourne.

So successful has the present service proved that a daily service is now proposed, so that any day Tasmanians may hop across Bass Strait after breakfast and take their midday meal with friends in Melbourne.

The passage via northern Tasmania is scheduled for four hours, comprising 18 hours off the rail-steam line.—The Christian Science Monitor.

When Cold, Shiver, Says Scientist

Body's Method of Resisting Cold and Manufacturing Heat

Montreal—Lacking a comfortably-heated atmosphere or a fur coat, the thing to do is to shiver in plenty of plain and fancy shivering, according to Dr. E. W. Swift of the University of Rochester, who read a paper before the physiological section of the Federation of American Societies for experimental biology in session here.

People shiver to keep warm—and it is a good substitute for that, Dr. Swift said. Shivering is the body's method of manufacturing heat, he explained. Dr. Swift said he had experimented with volunteers who had been placed in a refrigerator for varying periods while electrical apparatus was attached to their bodies to register the efficacy of their shivering. Those who lost themselves most readily to shivering stood the cold test best, he said.

Blind Are Aided By New Invention

Instrument Produces Raised Letters from Ordinary Pages

New York—Robert H. Rosenberg of Cambridge, Mass., demonstrated for the first time last week a "printing visograph," an instrument that produces magnified, raised letters from the pages of ordinary books.

He told the combined meeting of the American Institute of Electrical Engineers and the American Society of Mechanical Engineers the machine would be especially valuable in providing reading material for blind persons. The visograph reproduces large, embossed letters on a wide roll of this aluminum foil, with the result that the finished product corresponds in some respects to the Braille system. Rosenberg estimates his machine will increase the reading range of the blind a thousand fold.

Beeborough To Be Patron Regina World Exhibit

Ottawa—His Excellency the Governor-General has consented to act as chief patron of the World Grain Exhibition and Conference which will take place at Regina in the summer of 1933. His Excellency was requested to act as patron shortly after accepting the post of Governor-General and as agreed to do so.

French War Budget Shows Big Cut

Paris—There is no indication in France's attitude toward the forthcoming World Disarmament Conference at Geneva in 1932, if comments on France's recently approved 1931-1932 war budget are to be taken at their face value.

Although the present budget is 100,000,000 francs higher than in 1930, French writers have brought forth figures to show that France's military expenses, compared with 1914, show a greater drop than any great power.

The official table showed:

France	1914	1931-1932
Army	100,000,000	80,000,000
Navy	100,000,000	80,000,000
Air	100,000,000	80,000,000
Total	300,000,000	240,000,000

Another table showed that France has reduced her fighting effective 45 per cent. in the same period, while England has reduced 19 per cent, and Japan 25 per cent. Germany is not mentioned in the statistics as it would be subject to give Germany's reduction which were demanded by the Allies.

The Journal des Debats, commenting on these statistics in connection with the forthcoming disarmament conference, says:

"These figures, and others, show that the situation has reduced the military effort to considerable proportions. The disarmament conference will have more than a limitation; it has entered resolutely in the road of disarmament. Certain foreign propaganda pretends that this effort does not count, because it has been done under financial pressure."

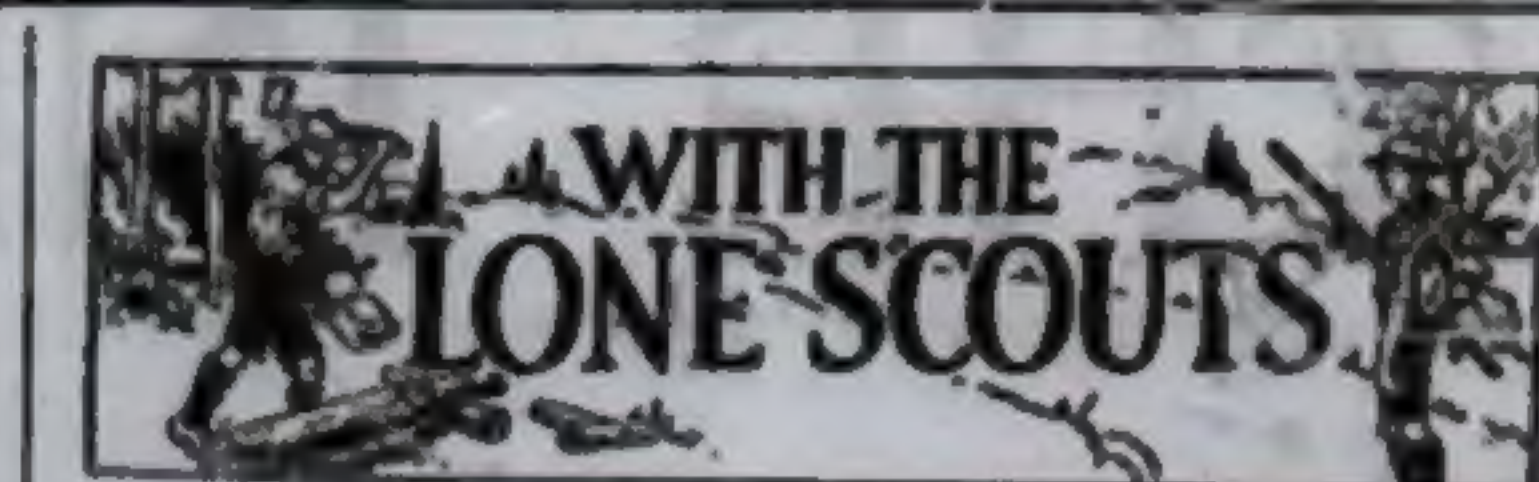

Canadian Exports Decrease

Ottawa—Expressed in percentages, imports from Canada represented 3.81 per cent. of the total imports into the United Kingdom in 1929, compared with 3.95 per cent. in 1928, writes V. R. Davies, Assistant Canadian Trade Commissioner in London, in the Commercial Intelligence Journal.

The United States, which is Britain's largest supplier of goods, also experienced a decline, the figure being 15.31 per cent. in 1929 against 16.67 per cent. in the previous year. Canada took 5.39 per cent. of the United Kingdom's total exports in 1929 compared with 5.05 per cent. in the preceding year. The United States was responsible for only 0.35 per cent. against 0.37 per cent. in 1929.

WITH THE LONE SCOUTS

This week brings us news from our most northerly Lone Scout, who lives at the Hudson Bay Post at Landerdowne House, in Northern Ontario. His name is Walter Wright, and Walter is quite an outstanding Scout in other respects besides his northerly location.

Coming from the "Old Country" last year, he brought a very fine record with him, and he is the possessor of the coveted "Silver Cross for Bravery" which was bestowed upon him for saving the life of a dog. The Lone Scout Commissioner has a picture of Walter with the dog, a rather splendid, that he saved.

On arrival in Canada, he was sent to one of the Hudson Bay Company's Northern Ontario Posts, and he has been in that part of the country ever since, and tells us that he quite enjoys the life, although it is a little lonely at times, especially in the winter time when travelling is difficult and he has to wait for a long time for his mail.

Walter has learned to drive a dog team, but he says that if you talk kindly to the dogs they think that you are a weakling and just lie down on the track and won't budge. It is necessary to use quite strong language to them, before they will take any notice of you. The last mail which the Post received was brought in by dog team, driven by an Italian Priest, and he was quite embarrassed by the fact that the dogs would take no notice of ordinary language, so he compromised by swearing at them in Spanish!

Walter is a Lone Scout indeed! Lately we have noticed several people busily engaged in their gardens, and this reminds us that every Lone Scout will of course have a garden of his very own, which he will lay out and plant to his own liking.

And therefore every Lone Scout

should qualify for the Gardener's Badge, and now is the time to commence operations to earn this badge. Like quite a few of the other Scout Badges the Gardener's requires quite a little patience, and cannot be earned overnight.

It is necessary to have some knowledge of soils, and to actually grow a number of flowers and plants from seed, but all this is very interesting work which would be enjoyed by every Lone.

Get busy and ask your Scoutmaster to send you particulars of the Gardener's Badge, so that you too can qualify for it.

And talking of Gardening reminds us of a very good turn that was performed last year by the Lone "Wolf Patrol" of Paris, the founders of the present Paris Troop.

These Lones look about them and discovered some old folks who were too feeble to dig and plant their own gardens, so they armed themselves with spades and rakes and all the necessary tools and set to work to plant these old people's gardens for them, and then later on they also tended them when necessary.

Wasn't that a real good turn? Maybe you can do the same thing this year.

And still talking of good turns in the Springtime, have you noticed how the bright sunshine shows up that dirty rubbish heap and untidy scrap laying all around the house and which was previously buried underneath the snow?

How about making this week a Lone Scout "Clean Up" week, and so put everything shipshape for the bright weather which is ahead of us?

Go to it, Lone Scouts, and then write to your Scoutmaster and tell him what you are doing.

LONE II.

"They are lovely. Never had chicks like them before. They actually look weeks older than they are—thanks to Blatchford's. Now I wish we had used Blatchford's last year."—(Clemson, Ont., March 28, 1931.)

It costs only 1 1/2 to 2 1/2 cents to raise a chick 30 days on

Blatchford's Chick-Mash

That's only 12 to 15 cents to raise a chick to 3 months—and Blatchford's builds a real foundation for a life of heavy egg-production.

No other mash costs so little as Blatchford's when figured out on the basis of the actual number of chicks raised in good health.

There is None just as good. Be sure to ask for Blatchford's

Protect your investment, avoid losing your chicks—by feeding—

Blatchford's Chick-Mash

It provides plenty of all the elements needed to build all parts of the body. Strongly and rapidly ensures the best of health and supplies surplus vitality to resist disease.

Also Blatchford's All-in-One Chick-Mash. A balanced All-Mash ration—No grain required.

And Blatchford's Battery Brooder Mash. Especially prepared for feeding in Battery Brooders.

Many New Industries To Start in Manitoba

Winnipeg, Man.—Mr. J. M. Davidson, secretary of the Industrial Development Board of Manitoba, who has recently returned from a trip through the east and south reported at a meeting of his board that new industries will be established in the province, involving an aggregate of

possibilities of more than \$1,000,000. The prospective industries include food products, implements, two furniture factories, building material, and household products, based on the packing industry. There will be a beet sugar refinery here next year, as the result of experimentation which has been carried on for several years in the province.

Twilight Hour Story—Chapter 10

About Wm. Chickens and Other Little Friends

I told you last week that when they first brought Fluffy, the pouter parrot, home, Rover didn't care about it very much. Of course he wouldn't hurt her

know Fluffy belonged to because he was as much as he did, but the house shortly after Fluffy came one day and... enjoying a sun bath... were up town and I am sure Fluffy would be fun to have thought it and he actually made Fluffy run. She was so surprised her up a tree as after her, but when she was climbing a tree she was so high up she was afraid to come down. I tell you Fluffy was glad when she saw Mamma Lady and Billy coming home just then. It happened a... the neighbor boy saw Rover chase Fluffy, so he came over and said, "Rover chased Fluffy up the tree. I saw him."

Mamma Lady looked hard at Rover and said, "Rover, did you chase Fluffy up there? Shame! I didn't think you'd do that." And Rover hung his head and came over slowly, then when he got to Mamma Lady he put up his paw to shake hands. That was his way of saying he was sorry. But Mamma Lady had to punish him for doing that so he wouldn't do it again, and she took his head in her hand and stamped the side of his nose a few times. "Don't you think so?" she said. "You very often need to be punished. You don't think? But I wonder what Mamma Chick and the three little chick sisters have been doing all this time. We're going to find out next time."

Well, Fluffy was away up in the tree seeing all this, and when Mamma Lady looked up at her and called her, she was so excited and delighted she couldn't stand still. She called her again, and do you know what Fluffy did? She didn't climb down this time but she jumped down all the way. It may be she lost her balance, for the branch was so little away up there and she wasn't used to climbing yet. Anyway she jumped down all that way, and what do you think? She landed right on her paws. Kitties always fall on their paws if they slip, did you ever know that? They never fall on their sides where it would hurt like everything else. The way we would most likely fall. No, they cushion. Well, when she landed down right beside Mamma Lady she didn't run either. No, she knew Rover wouldn't run after her again if Mamma Lady was there, so she just waited until Mamma Lady picked her up and took her to the house.

But Fluffy got back at Rover after a few days for running after her like that. She wasn't quite so afraid of him now when he came in the house. This is what she did: You see, when Rover is glad he wags his big tail, which is his way of saying he is happy. Well, when he came in one day feeling awfully good and wagging his bushy tail like a good fellow, Fluffy was behind him and she started to play with it. He was so surprised and stopped and looked round at her. But Fluffy knew he couldn't come after her with Billy around. She just hid until he stopped looking at her and as soon as he wagged it again she grabbed it again, and the only way he could keep Fluffy from pulling at his long hair was to keep it real still, and such a funny look came into his brown eyes. He didn't like standing still

It was really the first time Dorothy had ever been away from home alone. She was happy as could be at Aunty's, and romped and played the whole day long—till bedtime came—then a terrible fit of homesickness came over her.

Aunty was at her wits' end—till the thought of Long Distance. In just a few seconds Dorothy's mother was talking to her little girl... quietly, firmly, cheerily... then she told her to let Aunty rock her away in bed.

Everything was all right after that. Dorothy felt that her mother really wasn't far away after all. And the telephone had saved Aunty from an awkward predicament—at a cost of just 35 cents.

for ANY BABY

WE can never be sure just what makes an infant restless, but the remedy can always be found. Good old Castoria! There's comfort in every drop of this pure vegetable preparation, and not the slightest harm to its innocent use. As often as baby has a fretful spell, is feverish or cries and can't sleep, let Castoria soothe and quiet him. Sometimes it's a touch of colic. Sometimes constipation. Or diarrhea—a condition that should always be checked without delay. Just keep Castoria handy, and give it promptly. Relief will follow very promptly. If it doesn't, you should call a physician.

Shirley and Randall Atherton of Rochester are spending a week's vacation with their grandmother Mrs. Randall at "The Hermitage."

Mrs. Jas. Allan and Mr. J. Cook have returned after spending the winter in the south. They report a very enjoyable winter and delightful trip home.

Dr. and Mrs. Gram and daughter were visitors at the home of Mr. and Mrs. A. V. Cotton, Murray St.

Mr. and Mrs. Samuel Hunt and son Clifford of Hamilton were Sunday visitors with Mr. and Mrs. Holmes Mountain Road.

Mrs. Mabel Woods, formerly of Carlton Place, Ontario has taken up residence on Elizabeth Street.

Misses Madeline and Genevieve Blanchard returned home on Sunday having spent the holidays at Bridgeburg.

The many friends of Mrs. Mary Randall are delighted to have her return to "The Hermitage" after spending a very pleasant winter in the southern States.

Mr. Lloyd Phipps, Mrs. A.E. Phipps and Misses Edith and Margaret Phipps

Mrs. Charles Hale of Grimsby Beach who has been spending a few days with friends in Buffalo, has returned home.

Mr. and Mrs. William McCabe and little son of Hamilton spent the week-end with Mrs. P. Felker.

Mr. and Mrs. P. L. Stewart have returned from Scotland where they spent the winter months.

Mr. and Mrs. A. W. Eichmeier have returned back to Grimsby after spending a pleasant few months in St. Petersburg, Fla.

motored to Niagara Falls N.Y., on Sunday.

Miss Florence Kelsey and her sister Miss Jessie Kelsey who taught at the Beach School a few years ago were visitors at the home of Mrs. Hazelwood Koster Sunday.

Mrs. P. Timbers, Mr. and Mrs. B. Hunk and daughter Helen of Toronto were weekend guests of Mr. and Mrs. W. Pearson, Mountain Road.

Mr. and Mrs. H. L. Wood returned on Tuesday after spending the winter at St. Petersburg, Fla. and will take up their residence in their home, Main Street East.

The Misses Lillian and Jean Wiley spent a week in New York City and visited several Grimsby girls who have graduated from hospitals in that city as nurses, during their stay there.

SURPRISE PARTY

A very pleasant surprise party was held at the home of Mr. and Mrs. A. P. Horton, Ontario St., on Monday evening, the occasion being the 25th anniversary of their wedding. A large number of relatives and friends were present from Dundas, Hamilton, Winona and Grimsby. The evening was passed in cards, games, etc., after which all sat down to a bounteous luncheon. The presents took the form of pot plants, cut flowers, etc., and after wishing the happy couple all the good wishes those present dispersed, all having had a good time.

W. I. MEETING

The regular meeting of the Grimsby Women's Institute will be held on Tuesday next, April 21st, at the home of Miss F. Marsh, Robinson Street North.

Magnesia Best for Your Indigestion

Warns Against Doping Stomach With Artificial Digestants.

Most people who suffer, either occasionally or chronically from gas, sourness and indigestion, have now discontinued disagreeable diets, patent foods and the use of harmful drugs, stomach tonics, medicines and artificial digestants, and instead take a teaspoonful or four tablets of Bisurated Magnesia in a little water after meals with the result that their stomach no longer troubles them, they are able to eat as they please and they enjoy much better health. Those who use Bisurated Magnesia never dread the approach of meal time because they know this wonderful anti-acid and food corrective which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and make digestion easy. Try this plan yourself, but be certain to get Bisurated Magnesia especially prepared for stomach use.

Funerals Held

Numerous citizens and friends were in attendance at the funeral of the late R. J. Unsinger which was held from his late residence, Nellie Boulevard, on Thursday afternoon last, the services being conducted by Rev. J. A. Ballard of St. Andrew's Anglican Church, Rev. D. H. MacLennan, of Winona and Rev. Mr. Barr, of Brantford.

Interment was made in Queen's Lawn cemetery, the pallbearers being: William A. Coon, Harry Bowen, William Pettit, C. T. Farrell, David Allen and W. W. Ferris.

Rev. G. W. Wood, of Trinity United Church officiated at the funeral of the late Miss Gilmere which was held from her late residence, Oak St., on Friday afternoon. The pallbearers were: G. T. Hartwell, James Wentworth, Arthur Hewson, C. T. Farrell, E. T. Mannell, and Henry Millier.

Obituary

Harriet Crooks, wife of Norman Travis, died at her late residence, Saltfleet, on Sunday, April 12th. Deceased was in her 66th year. The funeral took place from Merritt's funeral home at Smithville, on Wednesday afternoon, April 15th, with interment at the United Church cemetery. The services were conducted by Rev. Neil Macquarrie, assisted by Rev. H. Monsinger. The pallbearers were: W. Russell, M. Collins, A. Parker, N. Hoffman, F. Lyndbuzner, and C. Street.

Special tributes were received from the Township Ladies' Aid, the Grimsby Women's Institute, The Merritt family, The Crooks' family, (brother and sisters), Mrs. Crooks (stepmother), Mr. and Mrs. O'Reilly Merritt.

The deepest sympathy of the community is extended to the bereaved husband.

Ingenious Jane

Jane had always been ingenious. When she went to another city, she knew at once the quickest way to go home and back. It was by Long Distance—every week. She found it the nicest possible way to keep in touch—and inexpensive, too!

Sleepy Feeling after Meals Due to Poison

A dopey, tired feeling is ALWAYS a sign that waste food matter stays too long in the bowels. It ferments and forms gas. It breeds germs. It is sure to poison heart, kidneys, brain.

Adierika washes out BOTH upper and lower bowel. It brings out poisons which cause gas, nervousness and a dopey, sleepy feeling. It contains no harmful drugs. Get Adierika today: by to-morrow you feel the wonderful cleansing effect of this German doctor's simple remedy. For Sale by Diamond's Drug Store, Grimsby.

CARD OF THANKS

The husband and sisters of the late Mrs. W. G. Cowan wish to express sincere thanks and appreciation to their neighbors and friends for the kind sympathy shown during their recent bereavement, and also for the many beautiful floral offerings.

PROCLAMATION

Pursuant to By-Law No. 614, and as authorized by resolutions of the Municipal Council of the Town of Grimsby, no dog shall be allowed to run at large in the Town of Grimsby during the period from April 1st, 1931, to November 1st, 1931, save and except such dogs as may be securely leashed and under the control of some competent person.

Dated the 13th day of April, 1931.

G. BOULTER,
Mayor,
Town of Grimsby

An appeal to parents and school principals to teach children the value of property was made by Police Chief Coates, Hamilton, in connection with the breaking of hundreds of street lights in the city during the last week. The chief said that 24 lights on the new municipal roadway had been broken in one day this week, and that the vandals spread over the entire city. Air rifles are used chiefly

May Ask Return Of H.G.&B. Bonus

Hamilton May Demand The \$23,000 The Company Received Originally If Service Is Discontinued.

In addition to ordering the removal of the H. G. & B. rails and the widening of the city limits of Hamilton and the repaving of the streets when the company discontinues its present service, it is possible that the city may demand a return of the \$23,000 bonus the company received when the service was inaugurated, plus interest from that time.

A clause in the company's agreement with the city provides that in the event of a passenger and freight service not being maintained the bonus money, plus interest, shall be returned. Attention was drawn to this at the meeting of the board of control when it was agreed that the company should not be allowed to bury its tracks, as requested.

Mayor Fosholm suggested that the substitution of bonus for electric cars might suffice so far as passenger service was concerned, but no provision was made for freight service.

Officers of Auto Club are Elected

H. Charles Langley was on Thursday chosen by the directors of the Automobile Club of St. Catharines District and Lincoln County as president for 1931, succeeding Don Popler. The contest for the presidency was between Mr. Langley and A. A. Crain, who was selected as vice-president, and came after Mr. Popler had ruled out of order a resolution providing for the reelection of all the 1930 officers.

Other officers elected were: Secretary-treasurer, W. E. Rollason; Press representative, F. H. Whitlock; O.M. representative, President Langley; secretary Rollason and past president Popler; directors, Merrill, A. T. Smith; Vincent, R. J. Moyer; Grimsby, C. W. F. Carpenter; Niagara-on-the-Lake, C. M. Nelson; Queenston, W. W. Armstrong; Thorold, F. M. H. Cushing; Beamsville, Stanley Gibson; Jordan, Wally Hunsberry; Fred Holmes was re-appointed auditor, while Wm. Spence was named as chairman of the sign committee. The traffic committee will this year comprise the entire directors.

The directors instructed the secretary to write to Mrs. Jackson an expression of regret in the death of her son, Major T. Frank Jackson, for years a faithful member of the club and also secretary-treasurer.

A hearty vote of appreciation was extended to the retiring president for service rendered during the past year. The secretary will write to the Ontario Motor League asking when the Burlington bridge and road will again be open for traffic and if any further delays in the work are anticipated.

GRIMSBY WELL
SITUATED

The prevailing industrial depression has affected all communities to a more or less degree. Happily, however, the town of Grimsby, through the provision of relief work in the extension of the sewerage system, and the steady employment afforded by its industries, has come through the year well and although it has been necessary to furnish relief in a certain number of cases of need, the municipality has, on the whole, not been affected to any serious extent by the slackness in business conditions.

The opening of the spring season and the approach of Blossom Time when the fruit trees will again blossom forth in all their beauty, is an augury of better things to come, giving promise of an abundant harvest if favorable conditions prevail.

Beautifully situated in the "Garden of Canada" adjacent to Lake Ontario and with all the advantages of the progressive community the citizens of the municipality have cause for satisfaction in the favorable situation in which they find themselves.
